Certeon to Exhibit at the Microsoft Management Summit (MMS) Event

-- Certeon's *aCelera Virtual Appliance Software Solution Delivers Application Acceleration Solutions on Distributed Microsoft Hyper-V Environments*--

BURLINGTON, MA – April 21, 2009 – [Certeon Inc.](http://www.certeon.com), a Microsoft Certified Partner in delivering scalable and cost-effective application acceleration solutions on distributed Microsoft® Hyper-V™ environments, announced today that it will be exhibiting at the [Microsoft Management Summit \(MMS\)](#) event, April 27 - May 1, 2009, at the Venetian Resort-Hotel-Casino in Las Vegas, NV, Booth: #237. MMS is the premier event of the year for IT Professionals, offering deep technical information and training on the latest IT management solutions from Microsoft.

Certeon will be demonstrating its *aCelera* Virtual Appliance software solution on Microsoft Hyper-V Server 2008 and managed by Microsoft System Center Virtual Machine Manager 2008 R2. Certeon will be showcasing *aCelera*'s ability to drastically accelerate distributed software deployments for locally installed and virtualized applications through Microsoft APP-V 4.5 and Microsoft System Center Configuration Manager 2007 R2. To learn more about Certeon and its *aCelera* software go to www.certeon.com.

About Certeon

Certeon's *aCelera* software is the first and only application acceleration virtual appliance to deliver acceleration, virtualization, and manageability when remotely accessing applications throughout a distributed enterprise. *aCelera* software reduces application response time over the WAN by more than 95 percent without proprietary hardware appliances. *aCelera* is optimized for mission-critical applications such as: application virtualization and management, software configuration management, enterprise content management, Web-based collaboration, and wide area file services. *aCelera* is flexible and easy to deploy, delivering faster, more scalable application acceleration to more users. Certeon enables distributed enterprises to dramatically reduce their TCO and gain a faster ROI when compared to proprietary hardware appliances. Founded in 2003, Certeon is a private company, headquartered in Burlington, Mass. For more information, visit www.certeon.com or call 781-425-5200.
